MEETING SUMMARY: This portion of the Main Committee meeting was dedicated to the appeal brought forth by Mr. Hubert Hayes with regard to TR 96-10 and TR 99-74. Mr. Hayes presented his arguments for why he felt these TR's, which had been approved by sub-committee and main committee at previous meetings should be appealed. Mr. David Steel and Mr. Tom Nurnberg presented arguments on behave of the Escalator Subcommittee. After the presentations, rebuttal arguments and question and answer period, a vote was taken and the appeal was denied. Minutes from the meeting can be obtained from Geraldine Burdeshaw, Secretary, A17 Main Committee.
