Dear Mr. Goldberg:

This is in reply to your letter dated October 4, 1973, in which you requested a copy of the Consumer Product Safety Act, 15 U.S.C. 2051 et seq., and any regulations or guidelines which have been promulgated by the Commission. Pursuant to your request, copies of the Act are enclosed. However, because numerous regulations have been adopted or republished by the Commission, we are unable to provide you with copies of all of these regulations. We are enclosing copies of the Federal Hazardous Substances Act Regulations and the Poison Prevention Packaging Act Regulations which have been revised and reissued by the Commission. Additionally, we are enclosing on the attached sheet, the Federal Register citations for all regulations and proposals issued by the Commission since its inception on May 14, 1973. You should be aware, however, that regulations previously adopted by other agencies under Acts transferred to the Commission's jurisdiction pursuant to section 30(a)(b) and (c) of the Act continue in effect according to their terms until modified terminated superseded, set aside, or repealed by the Commission, by any court of competent jurisdiction, or by operation of law.

Please let me know if I may be of further assistance.

Sincerely,

Michael A. Brown
