Mr. [redacted]
[redacted] Utah [redacted]

Dear Mr. [redacted]

This is in reference to your letter dated January 11, 1974 in which you inquire whether mattresses made by you for [redacted] Industries are subject to the Standard for the Flammability of Mattresses, issued under the Flammable Fabrics Act. As Mr. Edward Finch, Director of the Commission's Bureau of Compliance has informed you, all mattresses manufactured by you for sale to [redacted] Industries must comply with the Standard, regardless of the method of their disposition by Deseret Industries.

Please let me know if we may be of further assistance.

Sincerely,
