To whom it may concern:

I am inquiring as to any information you may have on file for any complaints or cases concerning Anchor Hocking glass baking ware.

I was recently injured by a 9x12 oblong baking dish that collapsed while I was carrying it. (severed tendons in my hand & nerve damage)

The product was amber colored glass. The bottom seal on the product states:

15 FYI

470
Anchor Hocking
Fire-King
Oven Proof
Made in USA

Sincerely,

Laura Sullivan
