**Summary of Meeting:**

Contact Azora Consulting for more details of this meeting. This working group is focusing on several specific types of heat pumps including pool heaters.

The participants discussed several specific types of heat pumps. Staff participated in the discussion on heat pump water heaters for pool. Staff participated in a UL 1563 working group whose chair asked for a change to UL/CSA 60335-2-40 temperature limit increase from 40 C to 42 C. Staff explained the rationale for the request, but the participants decided to reject the change because the codes limit water temperature to 40 C in hot tubs.

**Next Steps:**

Staff will attend future meetings as able.
