RE: Freedom of Information Act Request #23-F-00344:

- All visitor logs or similar records maintained by the CPSC. The records requested should be fully expanded to include the date, time, first name, last name, and any other recorded information for visitors to the CPSC, for the time period January 1, 2021 to the date of the processing of this request.
- A copy of Commissioner Richard Trumka Jr.'s daily Outlook calendar, including the date, time, subject, and party participants of each meeting, between December 2, 2021 and the present.
- A copy of Commissioner Mary T. Boyle's daily Outlook calendar, including the date, time, subject, and party participants of each meeting, between June 30, 2022 and the present.
- A copy of Commissioner Peter A. Feldman's daily Outlook calendar, including the date, time, subject, and party participants of each meeting, between January 1, 2021 and the present.
- A copy of Chairman Alexander Hoehn-Saric's daily Outlook calendar, including the date, time, subject, and party participants of each meeting, between October 12, 2021 and the present.

Dear Mr. Serslev:

Thank you for your Freedom of Information Act (FOIA) request seeking records from the U.S. Consumer Product Safety Commission (CPSC). On June 12, 2023, we issued an interim response, providing you with the records responsive to items 3 and 5, the calendars for Chair Alexander Hoehn-Saric and Commissioner Mary Boyle. This is a supplemental and final response. Commissioners' calendars are made public through the Commission's website, located at <https://www.cpsc.gov/Newsroom/Public-Calendar>. However, because the CPSC Public Calendar does not contain a list of interviews, media appearances, and CPSC staff meetings, enclosed please find a copy of those calendar entries for Commissioners Peter A. Feldman and Richard Trumka, Jr., which are responsive to items 2 and 4.

Portions of the enclosed records are being withheld pursuant to FOIA Exemptions 3, 5, 6 and 7A, 5 U.S.C. §§ 552(b)(3), (b)(5), (b)(6), and (b)(7A), and section 6(b)(1) of the Consumer Product Safety Act (CPSA), 15 U.S.C. § 2055(b)(1). CPSC considered the foreseeable harm standard when reviewing these records and applying FOIA exemptions.

In applying FOIA Exemption 3, we are relying on section (6)(b)(1) of the CPSA, which provides that CPSC will not disclose information when it would not be fair in the circumstances. It would not be fair in the circumstances to disclose the identities of specific manufacturers where they may appear in the records, as the records have not been referred to those manufacturers for comment or objection under CPSA section 6(b) prior to their disclosure. It would not be fair in the circumstances to disclose the names of manufacturers or specific products merely referenced in the attached schedules/calendars.

Exemption 5. FOIA Exemption 5 permits withholding from disclosure inter-agency and intra-agency memoranda that would not be available, by law, to a party other than an agency in litigation with the agency. The staff memoranda and analyses being withheld are pre-decisional and deliberative, consisting of recommendations, opinions, suggestions, or analyses of technical and/or legal staff, and the disclosure which would expose the deliberative process and/or attorney-client privilege. It would not be in the public interest to disclose these materials because disclosure would impair the frank exchange of views necessary for such matters.

Exemption 6. FOIA Exemption 6 permits withholding personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Absent authorizations to disclose the records or personally identifying information from the persons identified in the records, such information falls within the protection of this FOIA exemption to disclosure and is being withheld accordingly.

Exemption 7(A). FOIA Exemption 7(A) permits withholding from disclosure “records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information [] could reasonably be expected to interfere with enforcement proceedings[.]” 5 U.S.C. § 552(b)(7)(A). Agencies are authorized to withhold these records under two conditions: “there must be a ‘reasonable likelihood’ of a pending or contemplated law enforcement proceeding [;and] release of the information must be reasonably expected to cause some articulable harm to that proceeding.” *U.S. Dep’t of Justice Guide to the Freedom of Information Act*, Exemption 7(A), 2-3 (Aug. 21, 2019). We are withholding under Exemption 7(A) substantive information contained in closed compliance meeting calendar entries, and in calendar entries of open investigations.

Note that for recurring events listed on the calendars, “Required Attendees” and “Optional Attendees” reflect invitees to the event as of the date of downloading from Outlook. The invitees may have been different for prior sessions of the recurring event.

Finally, regarding item 1 of your request, you clarified on June 12, 2023 that your request for all visitor logs seeks visitor information on stakeholders visiting CPSC for Commission meetings, rather than those visitors to CPSC for non-Commission business or other, random purposes. Information identifying all visitors to CPSC for Commission meetings can be accessed on our website at the following links:

Re: Freedom of Information Act (FOIA) Request

To Whom It May Concern:

I submit this request for records pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552 and 16 C.F.R. § 1015.1 *et seq.* I request that a copy of the records detailed below be provided to me. I do not wish to inspect the records first.

I seek any and all records, as that term is defined under FOIA (5 U.S.C. § 552(f)(2)), and applicable case law (*see, e.g., Forsham v. Harris*, 455 U.S. 169, 193 (1980)), existing in any format whatsoever, including, but not limited to, written correspondence, email correspondence, records of telephone correspondence, records pertaining to in-person meetings, calendar or scheduling entries, videotapes, photographs, computer print-outs, telephone messages, or voice mail messages.

In particular, I request the following:

- All visitor logs or similar records maintained by the CPSC. The records requested should be fully expanded to include the date, time, first name, last name, and any other recorded information for visitors to the CPSC, for the time period January 1, 2021 to the date of the processing of this request.
- A copy of Commissioner Richard Trumka Jr.’s daily Outlook calendar, including the date, time, subject, and party participants of each meeting, between December 2, 2021 and the present.
- A copy of Commissioner Mary T. Boyle’s daily Outlook calendar, including the date, time, subject, and party participants of each meeting, between June 30, 2022 and the present.
- A copy of Commissioner Peter A. Feldman’s daily Outlook calendar, including the date, time, subject, and party participants of each meeting, between January 1, 2021 and the present.
- A copy of Chairman Alexander Hoehn-Saric’s daily Outlook calendar, including the date, time, subject, and party participants of each meeting, between October 12, 2021 and the present.

Notice is hereby given that I am requesting these records as an “other requester” within the meaning of 5 U.S.C. § 552(a)(4)(A)(ii)(III) and 16 C.F.R. § 1015.9(g)(1).

Notice is hereby given that I am willing to pay the appropriate fees incurred and assessed for the document search and duplication of the agency records responsive to this request. 5 U.S.C. § 552(a)(4)(A)(ii)(III); *see also* 16 C.F.R. § 1015.9(g)(1).

Please search for responsive records regardless of format, medium, or physical characteristics. I request that responsive records be produced in native format, or the format most felicitous to an expedited production. Upon receipt of this request, please take all reasonable steps to preserve relevant public records while the request is pending.

If it is your position that any portion of the requested records is exempt from disclosure, I request that you provide a *Vaughn* index of those documents. See *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). As you are aware, a *Vaughn* index must describe each document claimed as exempt with sufficient specificity “to permit a reasoned judgment as to whether the material is actually exempt under FOIA.” *Founding Church of Scientology v. Bell*, 603 F.2d 945, 959 (D.C. Cir. 1979). Moreover, the *Vaughn* index must “describe each document or portion thereof withheld, and for each withholding it must discuss the consequences of supplying the sought-after information.” *King v. U.S. Dep’t of Justice*, 830 F.2d 210, 223–24 (D.C. Cir. 1987).

Pursuant to regulation, please clearly delineate any and all redactions in such a manner so that the justification for each redaction is apparent. 16 C.F.R. § 1015.6(b). If it is your position that a document contains non-exempt segments and that those non-exempt segments are so dispersed throughout the documents as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed through the document. *Mead Data Cent. v. U.S. Dep’t of the Air Force*, 455 F.2d 242, 261 (D.C. Cir. 1977). Claims of non-segregability must be made with the same detail as required for claims of exemptions in a *Vaughn* index. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record.

Please do not hesitate to contact me by phone at (202) 656-5175 or by email at nserslev@americansforpublictrust.org. If records are available in electronic format please email the documents to nserslev@americansforpublictrust.org. If not, please send the requested documents to:

Americans for Public Trust
107 South West Street, Suite 442
Alexandria, VA 22314

Because of the time-sensitive nature of this request, I ask that you strictly comply with the 20-day time limit established by FOIA and applicable Consumer Product Safety Commission regulations. See 5 U.S.C. § 552(a)(6)(A); 16 C.F.R. § 1015.5. Please be advised that once this 20-day period has expired, you are deemed to have constructively denied this request, and I will consider the internal appeals process to be constructively exhausted. See, e.g., *Citizens For Ethics And Responsibility In Government v. Fed. Election Comm’n*, 711 F.3d 180 (D.C. Cir. 2013). I also respectfully request that documents be made available as soon as they are located and reviewed via a rolling production. I will undertake to pay any and all reasonable increased costs incurred as part of a rolling production.

Sincerely,

Nathaniel C. Serslev
