JOINT MOTION FOR EXTENSION OF TIME FOR MOTIONS TO COMPEL

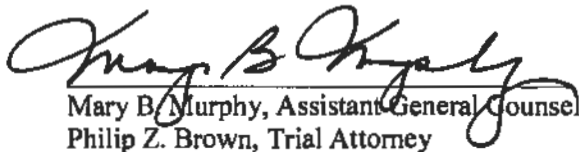

Pursuant to 16 C.F.R. §§ 1025.23, 1025.31(i), and 1025.36, Complaint Counsel (“Complaint Counsel”) and Respondent Britax Child Safety, Inc. (“Respondent”) (collectively, the “Parties”), hereby jointly move the Court an extension of time within which to file motions to compel discovery, and in support thereof state:

1. Pursuant to the Court’s April 23, 2018, Order Amending Discovery Schedule and Procedure, the Parties exchanged written responses to certain Requests for Admission, Requests for Production of Documents and Things, and Interrogatories on May 23, 2018 (the “Discovery”).
2. Due to the nature of the searches required to locate and review documents potentially responsive to the Discovery, the Parties previously agreed to initially produce all documents excluding emails on May 23, 2018, and subsequently produce emails and related documents on June 22, 2018.
3. The Parties are in the process of reviewing the materials produced thus far and will require additional time to review the emails and related documents that will be produced on June 22, 2018.

4. The Parties have also identified potential deficiencies regarding the Parties' respective responses to the Discovery and are in the process of meeting and conferring in an effort to avoid the need for Court intervention to address these issues.
5. The Parties have agreed that, in light of these issues, it is appropriate to extend the time to file motions to compel pursuant to 16 C.F.R. § 1025.36 to July 12, 2018 (20 days after the previously referenced emails and related documents are to be produced).
6. It is in the interest of justice and judicial economy to permit the Parties to have additional time to review the Discovery responses, along with the documents being produced, before filing motions to compel discovery.

Thus, the Parties respectfully request that the Court grant the relief requested in this motion.
