

Chapter 35), the Consumer Product Safety Commission requests comments on a proposed extension of approval through August 31, 2004, of information collection requirements in the safety regulations for non-full-size cribs codified at 16 CFR 1500.18(a)(14) and Part 1509. These regulations were issued to reduce hazards of strangulation, suffocation, pinching, bruising, laceration, and other injuries associated with non-full-size cribs. (A non-full-size crib is a crib having an interior length greater than 55 inches or smaller than 49³/₄ inches; or an interior width greater than 30⁵/₈ inches or smaller than 25³/₈ inches; or both.) The regulations prescribe performance, design, and labeling requirements for non-full-size cribs. They also require manufacturers and importers of those products to maintain sales records for a period of three years after the manufacture or importation of non-full-size cribs. If any non-full-size cribs subject to provisions of 16 CFR 1500.18(a)(14) and Part 1509 fail to comply in a manner severe enough to warrant a recall, the required records can be used by the manufacturer or importer and by the Commission to identify those persons and firms who should be notified of the recall. The Commission will consider all comments received in response to this notice before requesting approval of this collection of information from the Office of Management and Budget.

DATES: Written comments must be received by the Office of the Secretary not later than June 29, 2001.

ADDRESSES: Written comments should be captioned "Collection of Information—Requirements Under the Safety Regulations for Non-Full-Size Cribs" and mailed to the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207, or delivered to that office, room 502, 4330 East-West Highway, Bethesda, Maryland 20814. Written comments may also be sent to the Office of the Secretary by facsimile at (301) 504-0127 or by e-mail at cpsc-os@cpsc.gov.

The annualized cost to respondents for the collection of information is \$1,080, based on a total of 80 hours at \$13.50 per hour (the average hourly non-farm wage figure, U.S. Statistical Abstract, 2000).

CONSUMER PRODUCT SAFETY COMMISSION

Proposed Collection; Comment Request—Testing and Recordkeeping Requirements Under the Standard for the Flammability of Mattresses and Mattress Pads

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: As required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Consumer Product Safety Commission requests comments on a proposed extension of approval through August 31, 2004, of information collection requirements in the Standard for the Flammability of Mattresses and Mattress Pads (16 CFR part 1632). The standard is intended to reduce unreasonable risks of burn injuries and deaths from fires associated with mattresses and mattress pads. The standard prescribes a test to assure that a mattress or mattress pad will resist ignition from a smoldering cigarette. The standard requires manufacturers to perform prototype tests of each combination of materials and construction methods used to produce mattresses or mattress pads and to obtain acceptable results from such testing. Sale or distribution of mattresses without successful completion of the testing required by the standard violates section 3 of the Flammable Fabrics Act (15 U.S.C. 1192). An enforcement rule implementing the standard requires manufacturers to maintain records of testing performed in accordance with the standard and other information about the mattresses or mattress pads that they produce. The Commission will consider all comments received in response to this notice before requesting approval of this collection of information from the Office of Management and Budget.

DATES: Written comments must be received by the Office of the Secretary not later than June 29, 2000.

ADDRESSES: Written comments should be captioned "Collection of Information—Mattress Flammability Standard" and mailed to the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207, or delivered to that office, room 502, 4330
