U. S. Consumer Product Safety Commission**

CDC No. 98FED22404-7

This modification is to increase the interagency agreement fifteen thousand dollars (\$15,000) for fiscal year 2001 to continue the collection of telephone followback interviews as described below and in Section IIIB. Scope of Work Interagency Agreement 98FED22404-6.

III. Scope of Work

- B. Under the terms of this agreement, CPSC agrees to continue to implement for joint benefit of CPSC and NIOSH, structured telephone interviews of injured parties or their representatives as specified below or as mutually agreed upon in future amendments or revisions of this agreement. This includes the continuation by a CPSC contractor of a telephone interview survey initiated in a prior interagency agreement between NIOSH and CPSC of completed telephone investigations of injured healthcare workers for the period March 2000 through February 2001 (not to exceed 600 interviews), and 100 additional interviews of non-hospital-based healthcare and related workers. NIOSH will review potential cases to identify those cases among healthcare and related workers that should be forwarded to the contractor for interviews.

In fulfillment of this agreement CPSC shall, for each agreed upon interview study, contract for qualified telephone interviews, facilitate the NIOSH-conducted training of telephone interviewers (if needed), assist in the identification of appropriate injury cases, submit case information to the interview contractor, monitor interview study progress, review interview quality, and provide NIOSH with paper copies of each completed interview. On a quarterly basis CPSC will submit to NIOSH a status update for each case submitted for interview. At the end of each interview study CPSC will submit to NIOSH a final disposition for each case submitted for interview.

IV. Estimated Cost and Conditions of Payment

Under the terms of this agreement, an additional \$15,000 funding from NIOSH will be paid to CPSC in FY 2001 immediately upon receipt of the signed interagency agreement and billing statements. This will bring the total funding in FY2001 to \$255,000 (\$240,000 in the original agreement plus \$15,000 in this modification).
