

**Amendment to the Interagency Agreement  
Between the  
Health Resources and Services Administration's (HRSA)  
Maternal and Child Health Bureau (MCHB)  
and the  
U.S. Consumer Product Safety Commission (CPSC)**

This Agreement sets forth amended terms of understanding between the Division of Child, Adolescent and Family Health in HRSA's MCHB and CPSC for the Interagency Agreement that was executed in June 2002 (02HMCHB009 01 01 and CPSC-IAG-02-1289).

**I. Background**

No change.

**II. Purpose**

The purpose of this Agreement is to authorize funds in the amount of \$20,000 from HRSA's MCHB to CPSC to support CPSC's continued provision of technical consultation and review of the guidelines developed for the management of poisoned patients. Assistance provided under this Agreement shall include attendance at guidelines development consensus panel meetings and the subsequent provision of feedback, as needed; reviewing and providing written comments on all guidelines-related documents provided by the guidelines development consensus panel, the contractor, and the cooperative agreement awardee; and attendance at the North American Congress of Clinical Toxicology in Chicago, Illinois on September 6 - 9, 2003, to participate in a session about the patient management guidelines.

**III. Period of Interagency Agreement**

This Agreement shall become effective immediately upon signature of both parties and shall remain in effect through September 30, 2003. This period may be modified by mutual written consent of both parties.

**IV. Estimated Cost**

HRSA agrees to provide \$20,000 in FY 2003 funds to CPSC under this Agreement to be used to provide personnel, equipment, materials, and logistical support to perform the tasks specified in section II. Funding for additional years, if required, will be provided separately by an amendment to this Interagency Agreement, subject to the availability of funds.
