SUBJECT: Notice of Public Hearing on Commission's Agenda,
 Priorities and Draft Strategic Plan

Ballot Vote Due: MAR 5 1997

Attached is a draft Federal Register notice prepared by the Office of the Executive Director announcing a public hearing on the Commission's agenda, priorities and draft strategic plan. The notice invites the public to present oral and written comments for the hearing scheduled on May 7, 1997.

Each year, pursuant to section 4(j) of the Consumer Product Safety Act ("CPSA"), the Commission holds a hearing to provide the public an opportunity to comment on its priorities and agenda for the following fiscal year. In addition, the Government Performance and Results Act ("GPRA") now requires the Commission to develop a strategic plan and to seek comments from those interested in the proposed plan. The Executive Director recommends combining the CPSA and GPRA requirements so that one hearing would be held concerning the Commission's agenda, priorities and draft strategic plan. The draft Federal Register notice reflects this recommendation.

SUPPLEMENTARY INFORMATION:

Statutory Requirements. Section 4(j) of the Consumer Product Safety Act (CPSA) (15 U.S.C. 2053(j)) requires the Commission to establish an agenda for action under the laws it administers, and, to the extent feasible, to select priorities for action at least 30 days before the beginning of each fiscal year. Section 4(j) of the CPSA provides further that before establishing its agenda and priorities, the Commission shall conduct a public hearing and provide an opportunity for the submission of comments. In addition, section 306(d) of the Government Performance and Results Act (GPRA) (5 U.S.C. 306(d)) requires the Commission to seek comments from interested parties on the agency's proposed strategic plan. The strategic plan is a GPRA requirement. The plan will provide an overall guide to the formulation of future agency actions and budget requests. A final strategic plan is required to be submitted to the Office of Management and Budget and Congress not later than September 30, 1997. (5 U.S.C. 306(a)).

The Office of Management and Budget requires all Federal agencies to submit their budget requests 13 months before the beginning of each fiscal year. The Commission is formulating its budget request for fiscal year 1999, which begins on October 1,

1998. This budget request must reflect the contents of the agency's strategic plan developed under GPRA.

The Commission is charged by Congress with protecting the public from unreasonable risks of injury associated with consumer products. The Commission enforces and administers the Consumer Product Safety Act (15 U.S.C. 2051 et seq.); the Federal Hazardous Substances Act (15 U.S.C. 1261 et seq.); the Flammable Fabrics Act (15 U.S.C. 1191 et seq.); the Poison Prevention Packaging Act (15 U.S.C. 1471 et seq.); and the Refrigerator Safety Act (15 U.S.C. 1211 et seq.). Standards and regulations issued under provisions of those statutes are codified in the Code of Federal Regulations, title 16, chapter II.

Purpose of the Public Hearing. The Commission will conduct a public hearing on May 7, 1997 to receive comments from the public concerning its draft GPRA strategic plan, and agenda and priorities for fiscal year 1999. The Commissioners desire to obtain the views of a wide range of interested persons including consumers; manufacturers, importers, distributors, and retailers of consumer products; members of the academic community; consumer advocates; and health and safety officers of state and local governments.

While the Commission has broad jurisdiction over products used by consumers, its staff and budget are limited. Section 4(j) of the CPSA expresses Congressional direction to the Commission to establish an agenda for action each fiscal year and, if feasible, to select from that agenda some of those projects for priority attention. These priorities are reflected in the draft strategic plan developed under GPRA.

Participation in the Hearing. Persons who desire to make oral presentations at the hearing on May 7, 1997, should call or write Rockelle Hammond, Office of the Secretary, Consumer Product Safety Commission, Washington, D.C. 20207, telephone (301) 504-0800, telefax (301) 504-0127, not later than April 23, 1997. Persons who desire a copy of the draft strategic plan (available April 1, 1997) may call or write Rockelle Hammond, office of the Secretary CPSC, Washington DC 20207, telephone (301) 504-0800, (301) 504-0127

Presentations should be limited to approximately ten minutes. Persons desiring to make presentations must submit the written text of their presentations to the Office of the Secretary not later than April 30, 1997. The Commission reserves the right to impose further time limitations on all presentations and further restrictions to avoid duplication of presentations. The hearing will begin at 10 a.m. on May 7, 1997 and will conclude the same day.

Written Comments. Written comments on the Commission's draft strategic plan, and agenda and priorities for fiscal year 1999, should be received in the Office of the Secretary not later than April 23, 1997.
