SUBJECT: Simmons Mattress Flammability Tests

DATE OF MEETING: June 23, 2004

DATE OF LOG ENTRY: June 25, 2004

SOURCE OF LOG ENTRY: Margaret Neily, ESFS

LOCATION: CPSC Headquarters, Bethesda, MD

CPSC ATTENDEES: See attached list of attendees.

NON-CPSC ATTENDEES: See attached list of attendees.

SUMMARY OF MEETING: During the meeting, Simmons representatives shared the company's experience testing their mattresses under TB 603, California's open flame standard for mattresses. The meeting was CLOSED to the public because of the proprietary information that was discussed.
