LOG OF MEETING

DIRECTORATE FOR ENGINEERING SCIENCES

SUBJECT: Flammability Testing of Children's Sleepwear

DATE OF MEETING: March 30, 1999

DATE OF LOG ENTRY: March 30, 1999

SOURCE OF LOG ENTRY: Margaret Neily, ESME *MA*

LOCATION: Room 709 East West Towers, Bethesda, MD

CPSC ATTENDEES: Margaret Neily, ESME, and Geri Niebauer, Compliance

NON-CPSC ATTENDEES: Arthur Mintz, Bees & Jam. Inc.

SUMMARY OF MEETING: Mr. Mintz is in the process of reviewing their compliance testing for sleepwear products and wanted to discuss a number of aspects of the test procedure. Commission staff clarified the procedure for determining the char length of tested specimens, the laundering procedure (including the Commission proposal to update the laundering procedure, March 17, 1999, FR Vol. 64, No. 51, page 13126), recordkeeping for garment production units, and tests required for trim and functional materials used in sleepwear garments.
