RE: In Re Magnets, CPSC Docket No. 12-2, Appeal of Initial Decision

Dear Mary and Daniel:

Enclosed is a flash drive containing Respondent Zen Magnet's presentation of materials to the Commission in anticipation of oral argument set for 10 a.m. June 7, 2017. In addition, we are attaching a .pdf of the PowerPoint presentation to an email that will be sent today.

We would like to set up a phone conference for Thursday, June 1, 2017 to discuss the audio-visual methods that can be used to display the PowerPoint presentation during our oral argument. Please acknowledge via email what time we can do that, if it is possible.

Sincerely,

---
