Re: Request for Correction of Information Related to Maxfield &
Oberton Holdings, LLC Under the Information Quality Act

Dear Mr. Rubinstein:

By letter dated November 12, 2013, Craig Zucker, through you, his counsel, submitted a request for correction of information related to Maxfield & Oberton Holdings, LLC to the Consumer Product Safety Commission (CPSC) under the Information Quality Act (IQA), the CPSC's Information Quality Guidelines, and the Office of Management and Budget Information Quality Guidelines.

Due to resource constraints, CPSC staff requires more than 60 calendar days to resolve your November 12, 2013 IQA request. CPSC staff estimates that it will resolve your IQA request on or before March 13, 2014.

Sincerely,

A handwritten signature in cursive script that reads "G A Borlase".
