SUMMARY OF MEETING:

The meeting/conference call was arranged to discuss organizational issues related to the CO Detector Task Forces. These issues included: verifying the names of official delegates on the Task Forces; mechanism for distribution of Task Force minutes; developing guidelines for submittal and review of Task Force reports; and timeframes for securing close of work of each Task Force. Decisions were made concerning the above issues, and it was agreed that a written summary of the actions taken at the meeting would be distributed by CPSC staff for final review.
