

LOG OF MEETING

SUBJECT: North Dakota Conference on Preventative Health

DATE: November 6-7, 1996

PLACE: Kelly Inn, Bismarck, North Dakota

DATE OF LOG ENTRY: November 18, 1996

SOURCE OF LOG ENTRY: Andrew G. Stadnik, CPSC, Engineering Sciences

CPSC PARTICIPANT: Andrew G. Stadnik

NON-CPSC PARTICIPANTS: Various Health Care and Preventive Medicine Specialists from North Dakota plus invited speakers from CDC, Indian Health Service, and Colorado State University (about 100 people attended).

SUMMARY: Mr. Stadnik was invited by the North Dakota State Department of Health to present information on the CPSC and its activities and to provide detailed seminars on playground safety and baby safety showers. The CPSC also had a display area where numerous CPSC publications were placed for participants to take home. Also, each participant was provided with a CPSC information package that included the Public Playground Safety Handbook, the Baby Safety Shower Kit, the Super Sitter booklet and several other CPSC publications.
