

DIRECTIONS TO CPSC

By METRO: On Red Line to/from Shady Grove, get off at the Bethesda station; go up the big escalator and immediately turn right into a tunnel. Tunnel opens in an office building; go up the escalator there and exit through the door in front of the escalator onto the street. You will be on the East West highway near its intersection with Wisconsin. Turn right (away from Wisconsin and the Hyatt across the street) and walk for two and half blocks, past a McDonald's and a travel agency, etc. On your right, you will see "Bethesda Towers" complex: three similar looking glass and concrete office buildings with a circular driveway in the middle. The first building is 4350, the one in the back is 4340 and one past the driveways is 4330 East West Highway. Enter through the building on the far left after the driveways (4330). Take elevator to the 4th floor and sign in with the guard.

By Car:

From the intersection of East West Highway and Connecticut: go East (towards Wisconsin Avenue; if heading to Bethesda from DC, you will make a LEFT onto East West from Conn. Ave) on the East West Highway, stay in the left lane. Just past the first traffic light on your left there will concrete and glass high rise office buildings. The grouping is called "Bethesda Towers." The first one is 4330 East West Highway; between this and the next similar building are one-way driveways, enter the second one and near its end turn right into the pay parking lot. An Attendant will help you. Enter either the east or the south building. Take elevator to the 4th floor and sign in with the guard.

From Wisconsin Ave: Turn into Montgomery Avenue going east (towards Connecticut Ave); **stay in left lane** specially near the end of the third block where the Montgomery Ave curves and joins East West Highway. Just past the first traffic light, on your left there will concrete and glass high rise office buildings; the complex is called "Bethesda Towers." The first one is 4330 East West Highway; between this and the next similar building are one way driveways, enter the second one and near its end turn right into the pay parking lot. Enter either the East Building. Take elevator to the 4th and sign in with the guard.
