**SUBJECT:** Chronic Hazard Advisory Panel Questionnaire

**BALLOT VOTE DUE:** MAY 11 2009

Section 108(b)(2)(A) of the Consumer Product Safety Improvement Act of 2008 (CPSIA) requires the Commission to appoint a Chronic Hazard Advisory Panel to study the effects of phthalates on children's health. A questionnaire will be sent to panel candidates to identify potential conflicts of interest. Such questionnaires are collections of information subject to approval by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (PRA). Compliance with the normal OMB PRA clearance process for the questionnaire would significantly delay the start of the CHAP process. Accordingly, the draft *Federal Register* notice would announce that the CPSC has submitted a collection of information (the questionnaire) for emergency processing by OMB.
