

U.S. Consumer Product Safety Commission

Carbon Monoxide Poster Contest

How to Enter:

1 Ask your parent or guardian for permission to enter the poster contest.

2 If your parent or guardian says "yes," have your parent or guardian fill out the *Contest Submission and Parental Consent Form*. THIS IS IMPORTANT! You can find this form at www.cpsc.gov/COcontest.

3 Scan your (1) poster and your (2) *Contest Submission and Parental Consent Form* as jpg or pdfs. Jpgs are preferred. Each file must be no larger than 1MB, if possible.

4 Submit your poster and *Contest Submission and Parental Consent Form* to the contest online at: www.cpsc.gov/COcontest. Only one entry per person, please.

Poster Guidelines: Artwork must be created solely by the student and must be original work by the child entering the contest. Artwork cannot have been submitted for a previous CPSC poster contest or previously published. Submitted artwork may not contain any elements that violate a third party's copyright or trademark rights. To maintain privacy, entrants should not put their name or any personal information on the poster. If there is identifying information on the poster, CPSC will remove the information before posting. Do not use CPSC's logo or seal on the poster.

Deadline for Entries: Participants may submit entries to CPSC between July 14, 2014 and February 27, 2015. Only one poster per child may be submitted, and all entries must be received no later than February 27, 2015.

Judging Criteria and Prizes: Posters will be evaluated on:

- 1 CO safety message clarity;
- 2 Visual appeal;
- 3 Design originality

For each grade level, three finalists will be selected. One additional winner will be chosen by a public vote on CPSC's website. One grand prize winner will be chosen from all 10 finalists. The parents/guardians of the winners will be notified by telephone or by e-mail on or about May 1, 2015. All decisions by the judges are final.

For Students: Make sure to look at CPSC's Web page on carbon monoxide dangers at: www.cpsc.gov/CO. Remember—this contest is about CO, which stands for carbon monoxide, which is dangerous. This contest is NOT about CO₂, which stands for carbon dioxide and which is in the air we breathe. In addition, take a look at the winning posters from our last contest at:

www.youtube.com/watch?v=eRS04YjEdHQ.

For Teachers: You can also submit posters to the contest that are created by your students.

This would make a great classroom project. Just make sure to SUBMIT, along with the artwork, a completed *Contest Submission and Parental Consent Form* for each student from each student's parent or guardian.

Only one submission per student. All entries must be submitted online at our website: www.cpsc.gov/COcontest. We are not accepting hard copies of posters this year.

Legal Stuff: The complete contest rules and legal requirements are at: www.cpsc.gov/COcontest. By submitting an entry to the Contest, each contestant, and each contestant's parent or guardian, acknowledges reading the contest rules, confirms the contestant's eligibility to participate in the contest, and acknowledges the contestant's agreement to be bound by the contest rules.

Contest Questions & Inquiries:

For questions, contact CPSC at: COContest@cpsc.gov

Poster Submission Checklist:

Did you remember to....

- Make sure your poster meets all contest rules.
- Ask your parent or guardian if you can enter the contest.
- Did your parent or guardian fill out and sign the *Contest Submission and Parental Consent Form*? You can find this form at www.cpsc.gov/COcontest.
- Attach (1) your poster, and (2) your signed *Contest Submission and Parental Consent Form* to your entry form at: www.cpsc.gov/COcontest.
- Make sure you do not include any identifying information about yourself on your poster. That means no name and no personal information to protect your privacy.
- Do not use CPSC's logo or seal.
- Scan your poster and save it as a jpg or pdf.
- Submit your poster by the contest deadline of February 27, 2015.
