SUMMARY OF MEETING: Spoke via phone with Steve Klemm, Minnesota Department of Health, about the proposed revocation of the Commission's interpretation of "unblockable drain" under the Virginia Graeme Baker Pool & Spa Safety Act. Messrs. Cardon and Klemm discussed questions about the operation of secondary anti-entrapment systems, the extensive reliance of Minnesota pool operators on the original interpretation of "unblockable drain," and the negative views of the Commission that would result from a reversal in this position.
