ITEM:

Commission Response to Petition for Extension of Stay Regarding CPSIA Testing and Certification Requirements for Bicycles
(Briefing Package dated May 14, 2010)

DECISION:

The Commission voted unanimously (5-0) to approve the issuance of a response, as drafted, to the Bicycle Product Suppliers Association's ("BPSA") petition for an extension of the stay, and direct the Office of General Counsel to prepare a corresponding *Federal Register* ("FR") notice. The BPSA petition requested an extension of the stay of enforcement of the testing and certification requirements related to 16 C.F.R. Part 1512 imposed by section 14 of the Consumer Product Safety Act, as amended by the Consumer Product Safety Improvement Act of 2008. The Commission decided to extend the stay related to 16 CFR Part 1512 (other than 16 C.F.R. § 1512.16) until August 14, 2010. The stay regarding reflectors on bicycles, 16 C.F.R. § 1512.16, is extended to November 14, 2010. The Commission also decided that for bicycles with non-quill type stems, the insertion mark requirement is excluded from the certification requirement.

For the Commission:
