ITEM:

Notice of Public Hearing – Technological Feasibility of 100 ppm
(Briefing package dated January 13, 2011)

DECISION:

The Commission voted unanimously (5-0) to approve the publication of the draft notice in the *Federal Register* with changes to announce the public hearing on the technological feasibility of meeting 100 parts per million (“ppm”) lead content and associated public health considerations for children’s products. The changes place the date of the hearing to Wednesday, February 16, 2011, the date to register to attend the hearing to February 15, 2011, and the date to submit a request for an oral presentation and submit written statements and public comments to February 10, 2011.

For the Commission:

A handwritten signature in black ink, appearing to read "Todd A. Stevenson".
