NON-CPSC PARTICIPANTS:

Various members of the Southwestern Section of the International Association of Electrical Inspectors (IAEI) and other interested parties

SUMMARY:

This was the 77th Annual Meeting of the Southwestern Section of the IAEI. The Section President, Hal Kissinger, and IAEI Executive Director, Phil Cox, addressed the group, giving an overview of their respective organization's activities over the past year. The Southwestern Section standing committee chairmen presented a summary of their activities for the year.

Discussions were held on the Report on Proposals (ROP) for the *2002 National Electrical Code*. Section members presented various proposals that could be of interest to the group regarding recommendations for possible comments on the action that the *NEC Code-Making Panel* took as reported in the ROP.

The Southwestern Section will publish detailed proceedings of the meeting.
