

Meeting Log

Meeting: Meeting with Clay Frederick and Other Rohm and Haas Staff to Discuss Potential Substitute for Phthalates

Date: May 12, 1999

Place: East West Towers, Bethesda, MD

Submitted by: Marilyn L. Wind, Ph.D.

This was a closed meeting in which proprietary information was presented to Commission staff about a potential substitute for phthalates. Staff told the Rohm and Haas people about the requirements of the FHSA for chemicals used in children's products.
