SUMMARY OF MEETING:

- The Hovding representative requested the meeting with CPSC technical staff.
- The meeting began at 1:06 PM.
- The Hovding representative asked for a quick summary regarding the status of CPSC's efforts working with the ASTM sub-committee on headgear.
- CPSC staff provided a short summary and stated that the specifics are listed in the bi-annual Voluntary Standards Tracking Activity Report (V-STAR).
- CPSC staff stated the members of the public interested in helmets may find it useful to join ASTM sub-committee F08.53.
- The meeting concluded at 1:17 PM.
