Summary of Meeting:

Please contact Phil Monckton of Scepter (pmonckton@scepter.ca, 415-751-9445) or Len Morrissey of ASTM (lmorrissey@astm.org, 610-832-9719) for meeting minutes.

- The group continued reviewing the draft FMD document
- Discussion of the pour out test. The group voted to look at a ratio test. Tom Cray volunteered to draft a ratio test. Currently the flow out test is an absolute test of at least 1 gal/min.
- The test labs will provide some information on an appropriate push force that an FMD must resist.
- Cheryl will circulate a clean copy of the current version of the draft
- The next FMD meeting will be Thursday 1/11 at 10am
