

## **LOG OF MEETING**

**DATE:** February 1, 2018

**LOCATION:** Headquarters, room 837C

**SUBJECT:** American Fireworks Standards Laboratory (AFSL)

**ATTENDEES:** John Rogers, AFSL  
Quin Dodd, AFSL  
Nancy Nord, AFSL  
Mike Ingram, AFSL  
Spencer Elg, National Fireworks Association  
Richard Rosati, Bureau Veritas

**CPSC ATTENDEES:** Commissioner Kaye, J. Midgett, A. Steinle

**SUMMARY:** Participants provided an overview of the AFSL's support for the repeal of the Audible Report Test, why they believe that the test is problematic and how the XRF test of chemical content is superior. Mr. Rosati explained the reasons that testing labs prefer a limit with a margin of error.

**LOG AUTHOR:** J. Midgett

**LOG CREATION DATE:** February 2, 2018
