

## **LOG OF PHONE CALL**

**DATE:** March 7, 2018

**LOCATION:** Headquarters, room 722

**SUBJECT:** Crumb Rubber on Playgrounds

**ATTENDEES:** Deborah Srabstein, DC Safe and Healthy Playing Fields Coalition – “Tireless DC”  
Stephanie Fox-Rawlins, National Center for Health Research

**CPSC ATTENDEES:** J. Midgett, A. Steinle

**SUMMARY:** Ms. Srabstein expressed concerns about the use of recycled tire crumb and other materials in playgrounds and athletic fields and wanted to learn about regulations and standards addressing playground surfacing. Ms. Steinle explained the phthalates rule. Dr. Midgett explained the federal research project on crumb rubber and the ASTM toy standard.
