LOG OF MEETING**

SUBJECT: Bassinet Stability task group – Low to the ground/Compact bassinets.

DATE OF MEETING: 24 April 2018

LOG ENTRY SOURCE: Hope E J. Nesteruk, ESMC

LOCATION: Teleconference from Rockville, MD

**CPSC ATTENDEE(S): Hope Nesteruk, ESMC;
Keysha Walker, Dan Dunlap, EXCE**

NON-CPSC ATTENDEE(S): Contact ASTM for attendance list.

SUMMARY OF MEETING:

The task group reviewed the latest draft of the proposal for compact bassinets, which is based on the EN standard for carry cots, and which had been revised since the last task group meeting. The task group agreed that the proposal was ready to present to the subcommittee for potential balloting. Next action will be to present at the May subcommittee meeting.
