

**U.S. Consumer Product Safety Commission
Log of Meeting**

SUBJECT: WCMA Rigid Cord Shroud Task Group Meeting

DATE OF MEETING: June 14, 2018

LOCATION: Teleconference

LOG ENTRY SOURCE: Rana Balci-Sinha

DATE OF LOG ENTRY: July 2, 2018

CPSC ATTENDEES: Rana Balci-Sinha, Howard Tarnoff

NON-CPSC ATTENDEES: Contact WCMA for the list of attendees

SUMMARY OF MEETING:

TG discussed draft changes to the standard. Draft changes include a new definition for a rigid cord shroud, revised definition for short static or access cord, and revision in the test procedure for accessible cords. Deflection and wrap-around test procedure will still need to be developed, a smaller group will draft it and the task group will meet and discuss.

Next meeting is scheduled for July 17, 2018 via teleconference.
