Subject: ASTM F15 Baby Monitor Cord Task Group Meeting to discuss a new design for baby monitor cord covers.

Date of Meeting: June 28th, 2018

Log Entry Source: Zachary Foster

Date of Log Entry: July 11th, 2018

Location: Teleconference

CPSC Attendee(s): Hope Nesteruk, Zachary Foster

Non-CPSC Attendee(s): Brian Grochal (Underwriters Laboratories), Jim Pesaturo (Summer Infant), Meredith Thomas (JPMA)

Summary of Meeting: A new cord cover design that clips the cord to the wall and leaves an exposed section of cord at the corner joint was introduced to the Task Group. Task Group discussed if this type of design should be allowed in the standard and, if allowed, what testing requirements should be added to the standard to address this design type. Hope Nesteruk and Zachary Foster will consult with CPSC staff on similar applicable standards. Brian Grochal will search for applicable standards.
