SUMMARY OF MEETING:

After introductions, David Panning reviewed minutes of the October 4, 2017 meeting. This US TAG meeting was called to plan for the upcoming ISO TC 136 meeting scheduled for September 17-21, 2018 in Shanghai, China. At this time, China has not made any arrangements for calling in or WebEx conferencing. A request was made by participants that they would like the option to participate remotely. Mr. Panning will look into it.

The various working group statuses were reviewed:
