Summary of Meeting:

Contact Deborah Johnson of Dartmouth Geisel School of Medicine for more information about this meeting [REDACTED]

The Carbon Monoxide Alliance Meeting included:

- An update from Colby University nursing students working on a carbon monoxide project.
- A discussion of an incident in Lyman, NH on January 29, 2019 where several people died and another incident in Essex, VT at a construction site on February 5, 2019 where no one died, but several people were sickened.
- An update of Red Cross CO alarm distribution
- A discussion on 2019 CO Summit in November
- An update on the status of the CO Alliance website, which has been offline
- A round table discussion on the various CO-related activities going on with some of the participants

The next meeting will be scheduled at a later date
