

US Consumer Product Safety Commission  
Log of Meeting

Subject: American Chemical Society Safety Education Summit (including flame jetting)

Date: March 1 and 2, 2019

Location: ACS Headquarters, Washington, DC

Prepared By: Scott Ayers ([sayers@cpsc.gov](mailto:sayers@cpsc.gov), 301-987-2030), March 6, 2019

CPSC Attendees: Scott Ayers

Non-CPSC Attendees:

For a detailed list of attendees, please contact Marta Gmurcyk of the ACS

[REDACTED]

Summary of Meeting:

For a detailed summary of the meeting, please contact Marta Gmurcyk of the ACS

[REDACTED]

The American Chemical Society (ACS) organized this workshop to help reinforce ACS's commitment to safety and learn possible new ways to promote safety in the classroom. The workshop included some presentations on chemical safety in the classroom, but was mostly focused on organizing the participants into small groups to brainstorm ideas. Flame jetting was one of several incident scenarios of concern.
