Contact Daniel Yurman ( [REDACTED] ) for a complete list of attendees

**SUMMARY OF MEETING:**

Contact Daniel Yurman ( [REDACTED] ) for more details of the meeting

1. Opening Remark
2. Code of Conduct/Conflict of Interest/Anti-trust guidelines
3. Introduction and Adoption of the draft agenda
4. Approval/Adoption of the previous minutes for meeting of 01/17/18
5. TSC reviewed the outstanding action items
6. Request for Change
  - Gregg Achman from Hearth & Home Technologies proposed for TSC to review the definition of the glass viewing area and wind guard for the outdoor fire pits. TSC decided to form a task group and CPSC staff joined the task group
  - CPSC staff proposed to change the standard to mitigate the gas line blockage due to insects/spiders. TSC also decided to form another task group to study the issue and staff joined this task group as well
7. Other Business
  - Report on Gas log lighter: TSC decided not to follow further since there is not much input from stakeholders.
  - Auto ignition system: TSC adopted a requirement for an auto ignition system
  - International Fuel Gas Code (IFGC) and National Fuel Gas Code (NFGC): TSC accepted a recommendation from Z21/83 Technical Committee to include IFGC where NFGC was referenced
  - Altitude limitation: TSC decided to table it until there is more data
8. There is no new business
