Non-CPSC Attendees: Contact Debra Samaha Children's Hospital at Dartmouth-Hitchcock
([REDACTED]) for a complete list of attendees

Summary of Meeting: Contact Debra Samaha Children's Hospital at Dartmouth-Hitchcock
([REDACTED]) for more information about this meeting

On Tuesday November 5, 2019, NFPA held a conference on fire safety. Staff arrived at the end of the meeting for breakout sessions on fire safety messaging.

On Wednesday November 6, 2019, the group discussed CO safety. Scott Ayers presented on CO death estimates from 2006 to 2016 and Engine-Driven Tool CO deaths from 2008 to 2018. Also, Bruce Johnson of UL LLC presented to the group on UL 2034, Standard for Single and Multiple Station Carbon Monoxide Alarms. Other presentations focused on CO deaths in hotel rooms, CO deaths in Vermont, and a panel discussion on CO programs in NH, VT, ME, and MA from each state's fire marshal.
