NON-COMMISSION ATTENDEES: Contact ASTM for attendee list.

MEETING SUMMARY:

This meeting of the ASTM Container Task Group (TG) was led by the TG Chairman, Bill Tobin, Lamplight, Inc. The TG made changes to the draft standard to address CPSC Compliance staff's outstanding (additional) comments related to the closure requirements. Also, the TG made changes to the content and format of the labeling requirements. The TG plans to meet next week to review and finalize the draft standard in preparation for re-balloting.
