Subject: CSA Gas Grill Enclosure Task Force Meeting

Date: March 30, 2020

Location: Teleconference

Prepared By: Scott Ayers (sayers@cpsc.gov, 301-987-2030), March 30, 2020

CPSC Attendees: Scott Ayers and Chen Su.

Non-CPSC Attendees: Contact CSA for a list of attendees

Summary of Meeting:

Contact CSA for more details on this meeting.

This meeting was a working task force meeting of the CSA Technical Subcommittee that handles gas grills Z21.58; this was a continuation of the 3/23/2020 meeting. The purpose of the meeting was to complete proposing new language for the requirements for lp-gas storage in a gas grill enclosure and to write a rationale for the proposal.

The group finalized a proposal to the Technical Sub Committee that clarifies the requirements that spare cylinders cannot be stored under the firebox either in a grill with an enclosure or a grill that is open below the firebox.

The task force chair will finalize the proposal and send it to CSA for consideration at the next Technical Sub Committee meeting.
