

U.S. Consumer Product Safety Commission

LOG OF MEETING

SUBJECT: Teleconference with IPC D-70 Textiles Committee COVID-19

DATE OF MEETING: May 7, 2020

LOG ENTRY SOURCE: Jacqueline Campbell, ES

DATE OF LOG ENTRY: May 8, 2020

LOCATION: Teleconference

CPSC ATTENDEE(S): Jacqueline Campbell

NON-CPSC ATTENDEE(S): Please contact Chris Jorgensen at IPC for the complete list.

SUMMARY OF MEETING:

Connie Huffa led the meeting, highlighting new resources posted to the IPC D-70 COVID-19 team page. Jacqueline Campbell spoke briefly about CPSC requirements for non-medical face masks, focusing on flammability requirements and specific requirements for children's products versus general use products. Anna Magnum from North Carolina State spoke about resources available through the university's textile program.
