Log of Meeting

Subject: UL and IAFF Training Session on Challenges on the Future Built Environment: IAQ and Ventilation

Date: September 9, 2020

Location: Teleconference

Prepared By: Scott Ayers ([sayers@cpsc.gov](mailto:sayers@cpsc.gov), 301-987-2030), September 17, 2020

CPSC Attendees: Scott Ayers

Non-CPSC Attendees:

Contact UL for a complete list of attendees.

Summary of Meeting:

This was part of a series of training sessions organized by UL and IAFF that provide fire fighters training on challenges of the future built environment. This session focused on indoor air quality and ventilation. There were three presentations followed by a panel discussion. Staff participated in the panel discussion.

The next session staff will participate in will be on September 23, 2020 and will focus on smoke alarms, CO alarms, and other warning devices.
