

**Commissioner Baiocco meeting with Representatives from the American Chemistry Council and Exxon**

**June 1, 2022**

**1:00 pm**

**Hybrid meeting (in-person and WebEx)**

Commissioner Baiocco and Dottie Yahr will participate in a hybrid meeting with representatives from the American Chemistry Council (ACC) and Exxon to discuss the industry's comments regarding CPSC's justification for the final phthalates rule and the CPSC's cost-benefit analysis regarding continuing the interim prohibition on DINP in the final phthalates rule. This meeting was requested by Todd Bertosen, of the Capitol Hill Policy Group

Attendees:

David Adenuga, PhD, Exxon Mobil Product Solutions

Katy Goyak, PhD, Exxon Mobil Biomedical Sciences

Eileen Conneely, ACC

Todd Bertosen, Capitol Hill Policy Group

For additional information, contact Dottie Yahr at [dyahr@cpsc.gov](mailto:dyahr@cpsc.gov)

This meeting is open to the public
