Jonathan Brown	
Taylor Bethard	
Haley Nickols	
DIAL-INS	AFFILIATION
N/A	

MEETING NOTES:

The meeting was organized by Ashley Haugen and attended by parents of children who experienced serious injuries, and in one case death, associated with ingestion of water beads. Several mothers spoke directly about their experiences and asked the Commission to take action addressing various aspects of the issue, including educating parents and the public about the hazard, recalling products, and making water beads a regulatory priority.
