

## **MEETING LOG**

**MEETING TITLE/SUBJECT:** CSA Gas Range Technical Subcommittee (TSC) Task Force Meeting

**OP PLAN ENTRY:** Gas ranges

**DATE OF MEETING:** August 11, 2023

**LOCATION OF MEETING:** Virtual

**CPSC STAFF FILING MEETING LOG:** Scott Ayers, August 11, 2023

**CPSC STAFF ATTENDEE(S):** Scott Ayers (ESEF)

**NON-CPSC ATTENDEE(S):** Contact CSA for a complete list of attendees.

### **Summary of Meeting:**

Contact CSA for more details on this meeting.

The task force continued reviewing proposed requirements in the proposed new Common Standard. The task force reviewed common construction and electrical requirements. The task force also reviewed discrepancies within the current ANSI Z21.1 standard for gas ranges. This meeting focused on electrical comments. The CPSC staff monitored the discussion.

**Next Steps:** This task force will next meet on Friday September 8, 2023, at 11am. Depending on the availability, the CPSC staff will continue to participate in each task force meeting.
