<b>DIAL-INS</b>	<b>AFFILIATION</b>
Charles Donnelly	

### MEETING NOTES:

---

Meeting participants representing the Power Tool Institute presented PTI's positions in connection with the SNPR on Table Saws, related to (1) table saw patent issues in light of Saw Stop's recent announcement, including concerns about the timing and effective date, as well as additional Saw Stop patents and (2) table saw data issues regarding modular blade guard technology and distinctions among table saw products associated with injuries.
