

U.S. Consumer Product Safety Commission
LOG OF MEETING

SUBJECT: Lead Exposure and Prevention Advisory Committee (LEPAC) public meeting

DATE OF MEETING: 12/11/2024

LOCATION: Virtual

LOG ENTRY SOURCE: Kristina Hatlelid

DATE OF LOG ENTRY: 12/12/2024

CPSC ATTENDEE(S): Kristina Hatlelid

NON-CPSC ATTENDEE(S): Lead Exposure and Prevention Advisory Committee members, Centers for Disease Control and Prevention (CDC) staff, Department of Housing and Urban Development (HUD) staff. See <https://www.cdc.gov/lead-prevention/php/lead-advisory-committee/meeting-12-11-2024.html> for the final agenda, including presenters, and list of advisory committee members.

SUMMARY OF MEETING: The agenda included presentations from the New Hampshire Department of Health and Human Services Healthy Homes and Lead Poisoning Prevention Program on improving blood lead testing from a local perspective, a discussion of blood lead testing challenges and opportunities post-COVID, and presentation of a report with recommendations from the committee's workgroup on preventing lead exposure in adults. Advisory committee members asked questions of participants and discussed information that was shared. Also on the agenda was time for each committee member to provide updates from their work and organizations. The agenda also included time for public comment.
