Summary of Meeting:

Contact the NASFM for more details.

NASFM hosts a monthly meeting of state PIO officers and others interested in Community Risk Reduction (CRR). Some purposes of this monthly meeting include sharing information on educating the public and discussing new risks facing communities.

Staff monitored the meeting. NASFM staff updated the participants on the success of their annual conference in August. NASFM hopes for a better turnout next year. NASFM staff also shared details of an upcoming leadership call on October 16, 2025 to focus on a new program using cell phones with Kidde as a partner. The meeting will be open to all fire service and public educators and not just state fire marshals.

Next Steps:

Staff will participate as able on future meetings, typically the third Wednesday of each Month.
