Summary of Meeting:

Vision 20-20 Strategy Work Group 5 is a working group focused on codes and standards with a mission to reduce fire losses by refinement and application of codes and standards that enhance public and firefighter safety and prevent property losses.

Only six participants attended this meeting. CPSC staff provided an update on staff's work on accidental range activation, fire blankets, and wildfire. A member of the Colorado state fire marshal's office provided an update on issues within Colorado. The Michigan state fire marshal provided an update on issues within Michigan. Another participant discussed issues related to legislation on minimizing residential lots sizes and single stair issues. The chair will email all workgroup members with these updates.

Next Steps:

The next workgroup meeting will be on April 2, 2026.
