Summary of Meeting:

Vision 20-20 Strategy Work Group 5 is a working group focused on codes and standards with a mission to reduce fire losses by refinement and application of codes and standards that enhance public and firefighter safety and prevent property losses.

Participants from Massachusetts, North Carolina, and New York City discussed issues affecting their jurisdictions. UL, Solutions discussed the rollout of NERIS and the closing of the 2027 ICC and NFPA code cycles. Staff discussed their ongoing projects related to accidental range activation, fire blankets, and wildfire. Staff will update the group on potential future changes to the ICC codes related to gate safety at the next meeting. Participants discussed consumer general understanding of product listing and certification.

Next Steps:

The next workgroup meeting will be on July 3, 2026.
