Summary of Meeting:

Vision 20-20 Strategy Work Group 5 is a working group focused on codes and standards with a mission to reduce fire losses by refinement and application of codes and standards that enhance public and firefighter safety and prevent property losses.

Participants from Massachusetts, North Carolina, New York City, and other locations discussed issues affecting their jurisdictions. Staff discussed interest in NERIS and the recently released incident analysis module. Also, staff discussed ULSE work to add requirements for integrated batteries into the electric range standard UL 858 and the implication of integrating batteries into other appliances such as refrigerators and electric heat pumps.

Next Steps:

The next workgroup meeting will be on August 6, 2026.
